VALLEY HIGH

A quick tour of what's new in the Wine
Country for your crush-time pleasure.

More interested in cutting-edge
LEED-certified architecture
than pseudo-French châteaux?
Visit **CADE Winery**, just outside
of St. Helena. The latest from
the PlumpJack Group is a
mass of concrete, glass and
steel. The views—all the way
to SF—are timeless. Food and
wine tours are \$40. 360 Howell
