LUXURY LIVING IN CALIFORNIA WINE COUNTRY  
MODERNLUXURY  
WINECOUNTRY

The slightly more adventurous first cousin to the staycation, the road trip lets you unwind while enjoying the best of travel: exploring unknown territory. What better destination than Wine Country, where you can go from wineries to restaurants to hotels—with the freedom to pull off for a hike, bike ride, picnic, or to sit still and simply take in the scenery?

Drive up the Silverado Trail toward St. Helena and then up Howell Mountain Road to **Cade Winery**.
